**Thank you PCB Bank for
sponsoring 2024 Financial
Workshop!**

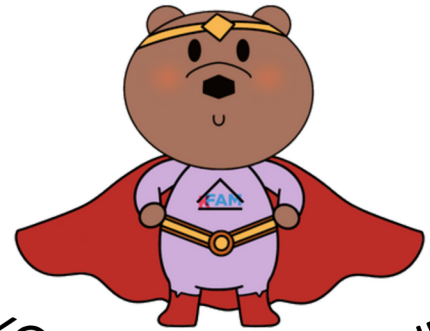

We partnered with Kidsbel Preschool to bring
early financial literacy program to the kids!

*The goal of financial workshops is to equip
children with the skills needed to thrive later
in life, when they need to make big decisions
as adults.*

Thank you to Everest, Global Children Foundation, Interact Club, individual donors, & volunteers for your tremendous support in creating 100 care packs for our foster children!

2024 Holiday Drive

#adoptionmonth #fosterlove #family

Help us create an unforgettable holiday party for our families this year.

Every year, we host a holiday party for our foster children, resource families, adoption families, and birth families. Brought together by the love for the children, we celebrate together like one big village!!

RFA Training in English

20 participants!

YES

Their commitment will create more API culturally competent homes for API foster children in the system.

FALEO LA 11th Annual Scholarship Awards Dinner

Family Support Program Coordinator Francesca was invited to speak to raise awareness on the needs of Filipino foster children in the child welfare system.

Saegil Church Outreach

We want to thank Saegil Church for providing a space for the community to come and learn about our Asian foster and adoption programs.

Gender-Based Violence

40 Hour Domestic Violence Training

GBV has been providing this certification training every year for local clergy members to become advocates and first responders to families in crisis. And this fall, we are proud to once more be working with the community to raise awareness, train, and share resources about domestic violence.

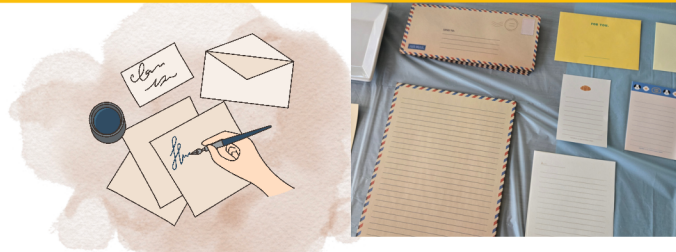

Together, we can!

Mental Health

Holiday Blues 그리고 나의 위로 Seminar

Therapist Bola shared about managing stress and depression during the holidays. Activities can be a tool to manage stress, so participants were given time to write letters to themselves or their loved ones.

KFAM works with local schools, such as Kohyang High School, to provide anti-bullying and anti-school violence.

Suicide Prevention Workshop

Therapist Kyung In shared with students information around mental health services on suicide prevention, and resources available.

Fact: Suicide is one of the leading causes of death in the United States.

Child & Adult Wellness

SAPC Celebrates Red Ribbon Week

Red Ribbon Week is the largest drug-use prevention campaign in October with the mission to keep kids drug-free through education and prevention activities. SAPC manager Erica worked with local schools to raise awareness.

Life Skills Workshop

Life Skills Training is a multi-lesson workshop that is designed to prevent future substance abuse in teens. Rather than focusing only on substances, this workshop teaches lessons on communication skills, emotional management, healthy self-esteem, and more! KFAM's Substance Abuse Prevention and Control (SAPC) program offers Life Skills Training to middle and high schoolers and will soon have workshops available for parents.
